**Regarding : Fraudulent activities by Ms Shalu, Ms Arti, Ms Nikita**

Dear Sir,

This is to bring to your notice that I, Vikas Vohra, Proprietor of M/s Wedding Alliances (since 2010) is running a matrimonial company providing match making services to our clients within India. From last one month, there are females named Ms Shalu, Ms Arti, Ms Nikita who are extracting money from families claiming they are a part of our organization named Wedding Alliances.

We have received several complaints from different people to that effect. For instance,

████████████████████  
████████████████████  
████████████████████

And many more which unfortunately we couldn't preserve.

They claim to be representing Wedding Alliances

Using the address - FF-135, first Floor, JMD Megapolis, sect-48, Sohna Road, Gurgaon 121004 which has got nothing to do with me or my company.

The contact numbers used by these females are

9773978964

9718687190

As given to us by the people whom they are trapping. Once these people fall in their trap and they extract handsome advance money, they block the contact numbers. After which, clients approach us because we are the genuine owners of this company.

Request you to file a complaint against them and initiate necessary action before more people fall in their trap.

Thanking you  
Your faithfully,

Vikas Vohra
